Meet the Members

Since the beginning of Xyngular in 2009, there have been several individuals that have grown their Xyngular business to great heights and have become a symbol of success for others along the way. Meet a few of these special Members who each have their own unique Xyngular story.
Laci Friend was completely new to Network Marketing when she and her husband Chris decided to become Xyngular Members. Even with their limited knowledge and experience, Laci would become a Platinum Executive and the first million-dollar earner with Xyngular. Now Laci and her husband along, with their three children, enjoy the freedom to pursue their passions and dreams, which includes charitable work and volunteering at their church. Laci feels blessed for the changes Xyngular has brought into her life, and she continues to work on helping others change their own lives.

“Thanks to Xyngular’s Passport program, we have traveled the world to Dubai, Bora Bora, and the Caribbean on the 50K Getaway Cruise. It doesn’t seem real how much Xyngular has blessed our lives.”

Cala Stadel

Cala Stadel is a single mother of seven and has worked hard to become a million-dollar earner with Xyngular. When she was first introduced to Xyngular Cala was drowning in debt, overweight, and on the verge of a nervous breakdown. However, within the first 90 days of becoming a Xyngular Member everything changed. Cala lost over 44 pounds and was quickly earning over $2,000 a month. Now, as Platinum Executive, her financial future has completely changed and she no longer needs to worry about putting her weekly grocery bill on the credit card.

“Bora Bora was a trip of a lifetime! The colors, the scenery, and the atmosphere were so vivid and breathtaking it was like it was fake! I love that Xyngular offers trips because we become knit together by experiences and love. That’s what sets Xyngular apart. I want everyone to experience Bora Bora and I know that it is possible and attainable!”

Tyrone Parker

As Tyrone Parker grew up in Flint, Michigan he noticed the backbreaking work and hours his parents went through to provide for the family, but he knew there was a better way. His entrepreneurial passions eventually lead him to open his own barbershop, but the income was still not enough to allow him to live his dreams. After learning about Xyngular he knew there was a real income opportunity. After just a few months of working his Xyngular business, Tyrone was earning the same amount as he was at his barbershop. Tyrone’s monthly income now has far surpassed anything he ever thought was possible, and he finally has the financial and time freedom to truly live his dreams.

“The trips Xyngular sends us on are unbelievable. Dubai was just incredible, and we had first-class treatment the whole time. We had the same treatment at Park City and Sundance. First-class all the way around!”

– Tyrone Parker
Omar River understood in just 15 minutes that Xyngular was the opportunity he had been searching for to change his life and help others. Omar loves the freedom Xyngular has given his life, and enjoys spending every day with his wife Tadia and his son Christian. Thanks to the Xyngular business opportunity, Omar now makes in one month more than he did in an entire year as a service advisor at a car dealership. He knows that when you have a clear focus on your dream all the things you want will start to become easier to achieve.

“The Xyngular passport program is second to none in the network marketing industry, my wife, Tadia, and I have traveled the world from Sundance, the Caribbean to Dubai and the amazing Bora Bora thanks to the Xyngular Passport Program.”

Freddy Elias

Freddy Elias had been successful as a network marketer in the past, but was searching for a company with great products, strong leadership, one-of-a-kind rewards, and a simple compensation plan. When Freddy first learned about Xyngular, he quickly realized he had found the opportunity he had been searching for. Freddy has since lost 40 pounds and 9 inches thanks to Xyngular products, and in his first 10 weeks as a member earned $9,000. Now, as one of Xyngular’s top earners, Freddy continues to grow his own business and show others how they can do the same.

“A company needs to reward its Members. In a previous company, the bonuses and trips were so hard to achieve that it discouraged everyone because so few people made it. With our Passport Program people get a trip at only 10,000 in volume, and it’s incredible to see.”
